What we've doing to tackle your priorities...

1. Drug misuse around the area of Godfrey Road

The ward officer and PCSOs have attended this location on a number of occasions to observe the problem but we have not spotted any instances of drug use so far.

2. Anti social behaviour in the area of The Ridgeway

The ward officer and PCSOs have patrolled and monitored the area. Although we have not received any reports of antisocial behaviour in the area, a number of people have been spoken to and advised about drinking alcohol in the area.

3. Contravention of one way through Bryngwyn Road

We have been monitoring the area and to date no vehicles have been found contravening the one way system.

PACT MEETING
