Tackling your concerns...

We have been working hard to address the PACT priorities that have been set by the community.

Drugs Misuse

Three people have been charged with trafficking controlled drugs in Bettws and a large number dealt with for possession. We continue to target people and properties where drug dealing is taking place and work closely with Newport City homes in dealing with residents who use properties for such purposes.

Antisocial use of Motorcycles

Between April and June we have confiscated 13 bikes and issued five warning notices to illegal riders, ranging in age from young teenagers to adults.

Two riders who had their bikes seized were arrested and subsequently charged with drink driving.

A further four riders have been summoned to court for serious traffic offences and could face disqualification from driving.

Our patrols have so far brought significant results and we have shown the public that we will not tolerate the illegal and antisocial use of off-road motorcycles.

All the bikes we seized are badly maintained cheap imports and not one owner of these bikes was wearing a helmet or any protective clothing when we stopped them – it's only a matter of time before someone is seriously hurt.

PACT MEETING

The next PACT Meeting will be held at 7pm on Thursday 23rd September at Newport High School.
