LATEST NEWS...

SPEEDING IN THE AREA

The PACT priority is speeding on the coast road and is being monitored primarily by our Roads Policing Unit and there have not been any significant issues regarding speed in this area based on the patrols conducted in and around the ward by staff allocated to cover the area.

The issue of stray horses has continued to be at the forefront of the ward's problems. Planning meetings between all the key partners have been taking place to look at a possible resolution. However, the issue is one that may well take some time to implement and we can assure you that we will do our utmost to get to a final agreement and plan on how to resolve this as soon as we can. Whatever we do will require the full cooperation of all partners to resolve and no matter what the final agreement is there will be a significant cost in rolling it out and ensuring its success. We will endeavour to keep you updated on this matter.

WARD OFFICER PATROLS

PC 986 Adrian Walters is now covering the Marshfield Ward. The Patrol Plans are set via our weekly tasking and they will determine where and when patrols will be conducted in your area. The plans are reviewed daily and will change regularly.

Please use the contact details in the left-hand column of this page.

If you need to discuss any neighbourhood issues with your local Sergeant 727 Pete Thomas, please call him on 01633 895019 or 07790 674951.
