LOCK IT OR LOSE IT

WHAT YOU CAN DO TO PROTECT YOUR BIKE:

Fit a bike **alarm**.

Use a **motorbike cover**.

Use forensic technology such as **SmartWater** to protect, mark and deter criminals.

Don't leave helmets or other possessions with your bike.

When driving home, be aware of any vehicles that may be following you.

Consider a professionally installed **immobiliser** which is a great addition to your bike security.

Always try and **lock your bike** away in a **secure garage** or away from sight.

When cleaning and maintaining your bike, do this away from view if possible – **don't advertise your bike to thieves**.

When purchasing security devices, make sure that all devices are **Secured By Design** as these meet the highest standards.

When leaving your bike, try to **lock it to something secure**. At home, you can fit a special attachment to lock your bike.

If you want to contact **Gwent Police** about another matter or to report a crime you can direct message us on **social media** or call **101** or **999** in an emergency.
